A POSTER FOR YOUR PROTECTION

The “Limitation of Warranty” clause was recommended by the Legislative Committee of the American Seed Trade Association last summer to replace the “non-warranty”. Our company and many others have adopted this new form as being the correct policy to follow in dealing with customers. If you agree and wish to put it into effect, you should display this poster in your store.

This new poster has been printed by A.S.T.A. and is available free to members, or through your state seed association, or upon request, we will send one to you. Poster is 10 x 14 inches.

NOTICE TO OUR CUSTOMERS

Limitation of Warranty

We warrant, to the extent of the purchase price, that Seeds or Bulbs sold are as described on the container, within recognized tolerances. We give no other or further warranty, express or implied.

Above is the “Limitation” as it appears on the Poster
